## **PSA-Ifugao Brings National ID Registration Closer to the Public at the 2025 Kulpi'd Asipulo & Town Festival**

Date of Release: 02 May 2025

Reference No. 2025-006

*Jovy L. Lumawig, RKO, conducts National ID registration while RO II Alice P. Narciso assists in the registration.*

Asipulo, Ifugao | The Philippine Statistics Authority (PSA) – Ifugao Provincial Statistical Office participated in the Foundation Day of Asipulo, Ifugao “*Kulpi’d Asipulo and Town Fiesta*” held on the 22nd to the 24th of April 2025 in Antipolo, Asipulo. Although the festival finished on April 24, the National ID registration services were prolonged up until April 25 so more participants could be catered to.

In line with its efforts to enhance the delivery of government services, PSA Ifugao set up a booth for the National ID Registration, which greatly benefited numerous iAsipulo residents who wanted to register anew or receive help with their existing National ID records. The booth functioned as a multi-purpose center where individuals could claim their digital national identification necessary for conducting official business and availing of various public services.

A total of 112 individuals were registered, of which 11 received their National IDs (in paper format) during the event. Jovy L. Lumawig, the Registration Kit Operator, facilitated the registration processes, with assistance from Registration Officer II Alice P. Narciso on the fiesta's opening day, thus allowing the streamlined and expedited registration procedures.
