## DEFINITION OF TERMS

**Vital Statistics** are derived from information obtained at the time when the occurrences of vital events and their characteristics are inscribed in a civil register.

*Vital acts and events* are the births, deaths, fetal deaths, marriages and all such events that have something to do with an individual's entrance and departure from life together with the changes in civil status that may occur to a person during his lifetime. Recording of these events in the civil registration and the resulting documents are called vital records.

**Municipal Form No. 102 (Certification of Live Birth)** is the prescribed form being used for the declaration of facts and circumstances surrounding the birth of a person for purpose of registration.

**Municipal Form No. 103 (Certification of Death)** is the prescribed form being used for the declaration of facts and circumstances surrounding the death of a person for purposes of registration.

**Municipal Form No. 97 (Certification of Marriage)** is used to record information pertaining to the marriage of the contracting parties. It contains information regarding the groom and the bride.

**Live Birth** is a complete expulsion or extraction from its mother of a product of conception, irrespective of the duration of the pregnancy, which after such separation breathes or shows any other evidence of life, such as beating of the heart, pulsation of the umbilical cord, or definite movement of voluntary muscles, whether or not the umbilical cord has been cut or the placenta is attached; each product of such a birth is considered live born.

**Marriage** is contract of permanent union between man and a woman entered into in accordance with law for the establishment of conjugal and family life.

**Death** refers to the permanent disappearance of all evidence of life at any time after live births has taken place (postnatal cessation of vital function without capability of resuscitation).

**Foetal death** refers to death prior to the complete expulsion or extraction of a product of conception from its mother, irrespective of the duration of pregnancy.

**Legitimate** refers to a child conceived or born during a valid marriage of parents.

**Illegitimate** refers to a child conceived and born outside of a valid marriage of parents.

This release contains statistical tables and graphs encompassing the vital event – births, marriages & deaths occurring in the province of Ifugao.

Data on births, deaths and marriages presented in this release were obtained from the Certificate of Live Birth (Municipal Form 102), Certificate of Death (Municipal Form 103) and Certificate of Marriage (Municipal Form No. 97) that were registered at the Office of the Municipal Civil Registrars and forwarded to the Philippine Statistics Authority - Provincial Statistical Office in Ifugao. Information included births, deaths and marriages registered in April to June 2023.
