PhilSys team reaches the Barangay Nambucayan, Guilayan, and Magnao to cater the community for their PhilSys registration.

The dedicated personnel of the Philippine Statistics Authority (PSA) Kalinga have emerged as unsung heroes in the pursuit of facilitating Philippine Identification System (PhilSys) registration among residents in far-flung barangays of Tabuk City. Despite formidable road accessibility hurdles, these unsung heroes have tirelessly worked to ensure the seamless registration of residents in the ongoing national identification initiative.

The PhilSys team was able to register 439 residents in the barangays of Nambucayan, Guilayon, and Magnao. Amidst the challenging road access in the far-flung barangays of Tabuk City, the PSA Kalinga personnel conquered the obstacles to bring the registration process closer to the community with their unwavering commitment and perseverance.

The PSA Kalinga, headed by Chief Statistical Specialist (CSS) Maribel M. Dalayday, exhibited exceptional dedication to deliver quality service, navigating treacherous paths and enduring adverse weather conditions. Their dedication to public service has made a remarkable impact on the lives of residents in these areas, ensuring that no individual is left behind in this transformative national endeavor.

As the PhilSys registration drive continues, PSA Kalinga remains steadfast in its commitment to ensuring that every eligible resident in Tabuk City is empowered with a PhilID, a critical step towards enabling access to essential government services and benefits.
