

PRESS RELEASE

PSA Kalinga Spearheads Dynamic Civil Registration Month Celebration

Date of Release: 23 February 2024

Reference Number: 24CAR32-299

Photo opportunities during the simultaneous activities of 34th Civil Registration Month in Talocot, Tanudan, Kalinga

In commemoration of 34th Civil Registration Month, the Philippine Statistics Authority (PSA) Kalinga is set to embark on a series of impactful activities in Talocot, Tanudan, Kalinga. With a focus on Information, Education, and Communication (IEC) campaign, Mobile Birth Registration, and fostering artistic expression through Poster and Slogan Making, these initiatives aim to strengthen community awareness and engagement in civil registration processes.

PSA Kalinga recognizes the importance of spreading awareness about civil registration processes. Through targeted IEC activities, the community of Talocot have the access to vital information on the significance of civil registration, the benefits it brings to individuals and communities, and the importance of ensuring accurate and complete records.

Ensuring that every individual has a registered birth certificate as a fundamental right and a key component of civil registration, PSA Kalinga conducted a mobile birth registration directly for the community with the help of the Municipal Civil Registrar (MCR) Office of Tanudan. Every individual has the opportunity to register births

conveniently, eliminating barriers that may have previously hindered access to this essential service.

Another simultaneous activity was conducted to recognize the power of art and creativity through a poster and slogan-making competition among the students of Taloctoc General Comprehensive National High School. This event aims to harness the artistic talents of the students, encouraging participants to visually express the significance of civil registration through compelling posters and memorable slogans. The winning entries received their comparable prizes during the awarding ceremony.
