

PRESS RELEASE

NATIONAL ID REGISTRATION REACHES OUT TO DAGARA IN KABUGAO

Boundless service, going the extra mile

Date of Release: 26 April 2024

Reference No.: 2024-016

CSS Calimuhayan diligently supervises the PhilSys Team as they register Dagara residents.

In a remarkable display of dedication, the PhilSys Team of Apayao Provincial Statistical Office has spent two days (April 16 and 17, 2024) facilitating National ID registration for residents of Dagara. From dawn till dusk, they tirelessly catered to the influx of clients, with their efforts focused on one of the municipality's remote barangays.

Driven by the goal of registering every Filipino, the team's commitment resulted in significant sacrifices to reach those in need ensuring that every yApayao obtains his/her National ID.

Coincidentally, the provincial government officials, along with other agencies, were conducting a barangay visit and community engagement activity. During the governor's visit, he showed his support by telling people to avail themselves of the services being offered through announcement.
