The PSA-Benguet conducted a Quiz Bee as part of the 35th National Statistics Month celebration, hosted by the Tublay LGU, during the Flag Raising Ceremony on October 21, 2024.

21 October 2024 Tublay- In a spirited celebration of knowledge and community, the Philippine Statistics Authority (PSA)-Benguet conducted a Quiz Bee during the Flag Raising Ceremony on October 21, 2024, marking the 35th National Statistics Month Celebration. Organized in collaboration with the Tublay Local Government Unit, the event brought together representatives from various local government agencies to engage in a friendly yet competitive atmosphere.

The Quiz Bee centered on the 2020 Census data, exploring the demographic

and socio-economic landscape of the Municipality of Tublay. Participants answered questions about population statistics, age distribution, and local products, highlighting the significance of data in shaping effective governance and community development. This focus encouraged agencies to actively engage with statistical information, emphasizing how it can inform policy-making and enhance the quality of life for residents.

Beyond the competitive nature of the event, the Quiz Bee fostered camaraderie among participants, strengthening inter-agency relationships and promoting teamwork. By underscoring the importance of informed decision-making, the event illustrated how access to accurate data can lead to more effective and responsive governance.

PSA-Benguet and the Tublay LGU look forward to furthering their partnership, with a shared commitment to boosting statistical literacy that benefits the community.
