PhilSys Benguet Drives Success at 8th Healthier Benguet Caravan

Date of Release: **June 03, 2024**
Reference No. 2024CAR11PR-05-010

Tuba, Benguet – The Philippine Statistics Authority (PSA)- Benguet is pleased to announce the successful implementation of Philippine Identification System (PhilSys) services during the 8th Healthier Benguet Caravan held in Tuba, Benguet. This initiative provided essential identification services to residents, significantly contributing to the event's overall impact.

On May 24, 2024, during the first leg of the caravan at Camp 3 Elementary School, the PSA registered 14 individuals for Step 2 of PhilSys, with an additional 2 individuals availing of the demographic updating service. The second leg, conducted on May 30, 2024, at the Youth Sports Complex in Poblacion, saw 32 individuals complete their Step 2 registration, and 3 more update their demographic information. In total, 46 residents successfully registered for PhilSys, and 5 updated their demographic details over the two days.

PhilSys aims to provide a unique, secure, and reliable identification system that enhances public service delivery, promotes ease of doing business, and improves social services. The PSA's participation in the caravan underscores its commitment to bringing government services closer to the people, ensuring that all Filipinos have access to the benefits of a national identification system.

The 8th Healthier Benguet Caravan, organized by the Provincial Government under Governor Dr. Melchor Daguines Diclas and supported by the municipal Local Government Unit of Tuba led by Mayor Clarita P. Sal-ongan, benefited nearly 1,700 residents. The event offered a wide array of services, including medical and dental care, veterinary services, paralegal assistance, and more.
