Communication (IEC) campaigns to raise awareness and inform the public about the new National ID services available. These include the "Rehistro Bulilit" program, which allows children aged 0 to 4 to be registered in the National ID system, as well as the issuance of National IDs in paper form and the Digital National ID. No matter the distance, the team is willing to bring all these services closer to all individuals.

Additionally, the team has implemented various registration methods such as Mobile Registration on Wheels, Fixed Registration Centers, and House-to-House Registrations to ensure they reach everyone, regardless of distance.

In 2025, the team continues its mission to register everyone by revisiting various schools and municipalities.
