As part of the campaign, the National ID Team assisted residents in retrieving their Transaction Reference Numbers in case they were lost. They also helped with the issuance of National IDs in paper form, registration for children aged 0 to 4, and individuals aged 5 and above, as well as accessing of the Digital National ID. Additionally, the National ID Team addressed several queries from residents regarding the National ID services.

As a result of these efforts, the National ID Team successfully registered a total of 75 individuals and issued 30 National IDs in paper form.
