The Philippine Statistics Authority (PSA) extended its services to the residents of Cordillera through the One-Stop-Shop Services at the DOLE's Kalayaan Job Fair. During the event, eighteen (18) individuals registered for the PhilSys ID, eight (8) ePhilIDs were issued, and three (3) applications for civil registry documents were processed. Concerns about the National ID and civil registry documents were also addressed.

The job fair offered various job opportunities from different industries, including business process outsourcing, construction, hotel, healthcare, and retail. The PSA's presence at the event provided an opportunity for the attendees to register for the PhilSys ID, which is essential for employment, banking, and other transactions.

The PSA is continuously expanding its reach to register more Filipinos for the PhilSys ID. The national ID system is a vital tool that will make transactions with government agencies, financial institutions, and private companies more accessible and secure.
