February 5-7, 2025. The activity is conducted per LCRO Daguioman's invitation for the celebration of 35th Civil Registration Month (CRM) in the municipality. The mobile registration and information drive were aimed at bringing the birth registration services to the residents and enhancing public awareness about the importance of civil registration.

Registration Officer II (RO II) Guillermo B. Bermillo Jr. led the IEC campaign on Civil Registration. RO II Bermillo presented a brief background on the mandates of the agency. The RO II discussed the importance of registering vital events, such as births, marriages, and deaths. Villanueva accepted requests for SECPA copy of civil registry documents (52 birth certificates and 18 for marriage certificates) and 49 verification and 5 registration under BRAP.
