Step 2 Registration

In the continuing implementation of the Philippine Identification System (PhilSys) in Ifugao for the month of February 2024, the Philippine Statistics Authority (PSA) - Ifugao took the initiative to coordinate to different institutions to extend the service of PSA for more individuals to be registered. The PSA – Ifugao had the Step 2 Registration to schools through the Department of Education (DepEd), Local Government Units (LGUs) for the Institutional Registration of each barangay and Family Development Sessions (FDS) of the Social Welfare & Development (SWAD). Our team conducted an Information, Education, and Communication (IEC) session, facilitated a question and answer (Q&A) segment, and organized schedules as part of the coordination efforts.

PhilID Replacement for defective front-facing photograph

The PSA ensures that the quality of PhilID during card personalization, kitting and distribution individuals who received damaged or defective front-facing photographs of their PhilID can request a replacement of PhilID from to any PhilSys Outlet of PSA for them to to avail the services that the PhilID can offer and that the replacement of PhilID is free of charge.

For the month of February 2024, there were a total 15 requests for replacement of PhilID and a total of 17 replacements of PhilID were forwarded to PSA Ifugao for distribution to respective owners.

TRN Retrieval of Lost Transaction Slip

Registrants who did not receive any of the PhilID or ePhilID and lost their transaction slip were able to avail this additional service to any PhilSys Registration Centers. Registrants whose TRNs were retrieved mostly requested for the ePhilID since they did not receive the PhilID.

There are a total number 129 registrants who availed the TRN Retrievals for the month of February 2024 which helped the improvement of service of that the PhilSys offers.

TECHNICAL NOTES

PhilID	The PhilID refers to the physical ID card that serves as a valid proof of identity that can be used to transact with the government and the private sector. The card is non-transferable and is issued upon successful registration to the PhilSys.
ePhilID	The digital version of the PhilID which is printed on a piece of paper. As one of the proactive strategies of the PSA, the printed ePhilID is part of the 50 million target PhilIDs set to be issued by the end of the year.
PhilSys	The Philippine Identification System or PhilSys refers to the government's central identification platform for all Filipino citizens and resident aliens of the Philippines.
TRN	Also known as the Transaction Number which can be found in the Transaction Slip that was given after the Step 2 Registration. The TRN can be used to track the status of the PhilID in the PhilPost Tracking System and can also be used to print the ePhilID.
