

SPECIAL RELEASE

MUNICIPALITY OF MAYOYAO VITAL EVENTS THIRD QUARTER 2022

Date of Release: 28 December 2022

Reference No. SR-2022-022

This special release presents statistics on vital events occurring for the 3rd quarter of 2022 in the municipality of Mayoyao, Ifugao. This publication shows the total registered birth, marriage, and death statistics by registration status, sex, legitimacy status, age, type of ceremony, and place type. The civil registry documents transmitted monthly by the Local Civil Registry Office (LCRO)-Mayoyao to Ifugao Provincial Statistical Office for machine processing served as the source of data in preparation of this special release.

BIRTH REGISTRATION

Live birth is defined as complete expulsion or extraction from its mother of a product of conception, irrespective of the duration of the pregnancy, which after such separation, breathes or shows any other evidence of life, such as beating of the heart, pulsation of the umbilical cord, or definite movement of voluntary muscles, whether or not the umbilical cord has been cut or the placenta is attached, each product of such a birth is

considered live born.
