National ID CHECK

AUTHENTICATE

any format of the National ID
through the National ID Check

HOW TO ACCESS THE NATIONAL ID CHECK

WHAT ARE THE POSSIBLE VERIFICATION RESULTS?

- 1 Open your web browser and visit <https://everify.gov.ph/check>
- 2 Scan the QR code of a National ID, whether printed on PVC card, on paper, or Digital form.

The National ID has been verified

 NATIONAL ID CARD	 NATIONAL ID IN PAPER FORM	 DIGITAL NATIONAL ID
-----------------------------	--------------------------------------	--------------------------------

QR Code could not be read

The result is probably due to any of the following reasons:

- The QR Code is damaged
- The information in the QR Code has been tampered with
- The QR Code is not from National ID

Note that the relying party should try scanning the National ID at least 3 times.

If the authentication result are still unsuccessful, the cardholder should bring their National ID to the nearest PhilSys Registration Center or email info@philsys.gov.ph
