PSA-Apayao continues to distribute Free Live Births

SecPa Distribution in Pudtol

Two-hundred fifty-six out of the 473 birth certificates which had arrived at PSO from the PSA central office were already delivered to the beneficiaries residing in Flora, Conner, and Pudtol. Said document is a substantial and official recognition of identity that serves as reliable vital record mostly needed for government transactions, to include claiming of benefits and assistance. The distribution was done through the Civil Registration Unit, in collaboration with the respective Local Civil Registry Offices of the aforesaid municipalities (LCROs). The number of Birth certificates which were printed in Security paper (SecPa) was a tangible product of the Birth Registration Assistance Project (BRAP), a flagship program of the agency, designed to reach out unregistered individuals...

...primarily those members from the marginalized communities.

Based on the consolidated report of the Birth Registration Coordinator (BRC), many are still on process but it is expected that they will arrive the soonest time possible in order to hand it over to the successful registrants.

During the recently conducted distributions in the respective municipalities in Apayao, beneficiaries had expressed their sincere gratitude for the agency’s project. This initiative underscores the PSA’s commitment to uphold and promote the rights of every citizen to legal identity, as well as it reflects efficiency in vital record management focused on excellent public service.

What is ePhil ID?

ePhil ID is a proactive strategy of the PSA that will allow more Filipinos to immediately enjoy the benefits of being PhilSys-registered

2024 Census of Population and Community-Based Monitoring System (2024 POPCEN-CBMS) Activities

Municipal CBMS Convening Board of Pudtol (upper photo) and Calanasan (lower photo)

The 2024 Population Census and Community-Based Monitoring System (2024 POPCEN-CBMS) was successfully convened in the Municipalities of Pudtol and Calanasan on April 1 and April 4, respectively. These were attended by PNP, DILG and concerned municipal offices.

Task Force Training on 2024 POPCEN-CBMS for Barangay Profile Questionnaire, Service Facilities and Government Projects was also attended by Dr. Chowen Jay Arrellano, the provincial focal person, and Mr. Bryant Lord Marquez, COSW - Statistical Specialist II, held at PSA Quezon City on April 15 to 29.

The **PSA Serbilis** website (www.psaserbilis.com.ph) is PSA’s online facility for submitting requests for copy issuance of civil registry records (birth, marriage and death certificates) and issuance of certification of no marriage record (CENOMAR).

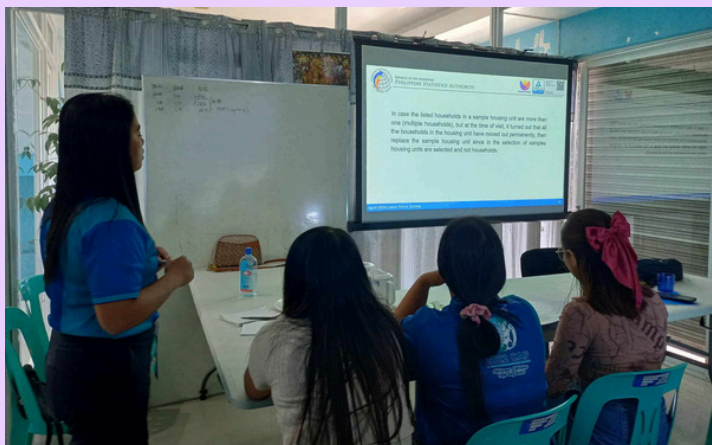

OpenSTAT is an open data platform powered by PC-Axis, a user-friendly application for presenting statistical data and metadata coupled with API and visualization features. This system allows the PSA to share data under an open data license where data can be freely used, re-used, and redistributed by anyone without any restrictions other than proper source attribution.

Other Surveys Conducted

During the month, the data collection of various surveys was conducted, namely: Quarterly Labor Force Survey, Rice and Corn Stocks Survey, Backyard Livestock and Poultry Survey, Corn Production Survey, and Palay and Corn Production Survey. The output of these surveys supports the data needs of planners, policy and decision makers, and other stakeholders, among others.
