PHILIPPINE STATISTICS AUTHORITY - ABRA PROVINCIAL STATISTICAL OFFICE

PSA-Abra Conducts the April 2024 Labor Force Survey (LFS) Round

The Philippine Statistics Authority (PSA) – Abra Provincial Statistical Office (PSO) conducted the April 2024 Labor Force Survey (LFS). The Provincial Level Training was held at PSA Conference Room on April 2-5, 2024. The Data Collection was conducted on April 8-29, 2024 excluding Sundays. Regional Focal Person and Senior Statistical Specialist (SrSS Betina Joy Bermillo supervised the Statistical Researchers at Ayyeng, Manabo on April 8, 2024 while Statistical Analyst and Provincial Focal Person Maria Edna B. Ballera supervised on April 17-19 & 22-25, 2024. This round is a quarterly household survey that measures the country's current labor market and is used, among other things, to calculate national and provincial employment and unemployment rates. This LFS round will be used to quantify the continuing effect of pandemic crisis on labor and employment in the country.

PHOTOS: PSA-Abra PRT Steps Up PhilSys Step 2 Registration Efforts and Distribution of PhilSys IEC campaign materials

2,087 Individuals Registered, 286 ePhilIDs Issued in April 2024

PSA-Abra PhilSys Registry Team (PRT) continued the PhilSys Step 2 Registration process and exerted all efforts to register the remaining unregistered individuals. In April 2024, the PSA-Abra PRT successfully registered 2,087 individuals and issued 286 ePhilIDs. PhilSys Registration Personnel also distributed Information, Education, and Communication (IEC) campaign materials to enhance public awareness of PhilSys. CSS Felixberto B. Perdido supervised the PRT at Buli, La Paz, Abra

on April 16, 2024. Additionally, PhilSys opened registration for children aged one (1) to four (4) years old, with the Abra PRT commencing in February, 2024, and registering 815 children within that age range on April 2024. These various strategies aimed to increase the daily average output of the entire PhilSys team.

Replacement of Damaged PhilIDs Now Accepted

The PSA issued an Office Memorandum on the acceptance of requests for the replacement of PhilIDs with damaged or defective front-facing photos. The PSA only accepts PhilIDs that have been lost due to natural disasters or that have front-facing pictures that are damaged or defective and do not require the cardholder's demographic and biometric information to be updated. In April 2024, the Abra PRT granted 12 requests for replacement PhilIDs.

PhilSys Focal Person Jonnel P. Aveño Conducts 2nd Quarterly Meeting

PSA Abra Provincial Statistical Office PhilSys Focal Person (PFP) Jonnel P. Aveño conducted the PhilSys 2nd Quarterly Meeting at PhilSys Fixed Registration Center (FRC) on 9 April 2024. The PFP presented the April - June 2024 Workload and the PhilSys Status of Registration Accomplishment. PFP Aveño reminded the RKO's to always update the 1-4 years old Monitoring Trackers and gave also an update on the Updating of Demographic Data Services. ISA I Casigay discussed the technical concerns while Admin Clerk Balubar on the administrative concerns. IO I Perez and PFP Aveño tackled the PSA Field Awards. The PFP also reiterated to the Field Personnel to strategize to increase the output of the team.

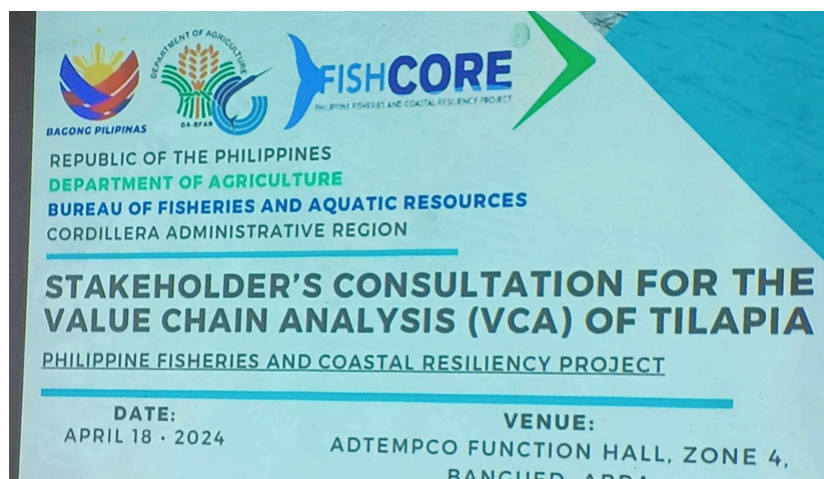

PARTNERSHIP AND LINKAGES

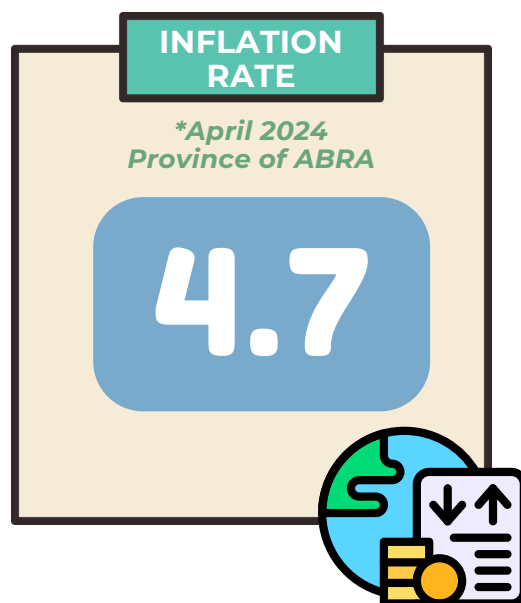

Participation in the Stakeholder's Consultation for the Value Chain Analysis (VCA) of Tilapia; Philippine Fisheries and Coastal Resiliency Project (FishCoRe) of DA-BFAR-CAR

Philippine Statistics Authority (PSA) - Abra Provincial Statistical Office (PSO) Statistical Specialist II Florante T. Bigornia, representing Chief Statistical Specialist Felixberto B. Perdido, participated in the Stakeholder's Consultation for the Value Chain Analysis (VCA) of Tilapia; Philippine Fisheries and Coastal Resiliency Project (FishCoRe) of the Department of Agriculture - Bureau of Fisheries and Aquatic Resources - Cordillera Administrative Region (DA-BFAR-CAR) on April 18, 2024 at ADTEMPCO Function Hall, Zone 4, Bangued, Abra.
