

What is Vital or Civil Registration?

Vital or Civil Registration is the recording in the appropriate civil registers, vital acts and events that affect the civil status of individuals.

What is vital acts and events?

Vital acts and events are the births, deaths, fetal deaths, marriages, and all such events that have something to do with an individual's entrance and departure from life together with the changes in civil status that may occur to a person during his lifetime.

What is a Registry Number?

Registry number is the sequential number indicating the order by which the document for registration is entered in the appropriate civil registry book.

What is Delayed Registration?

An act of registering a vital event that is made beyond the reglamentary period of registration.

What is Live Birth?

Live Birth is a complete expulsion or extraction from its mother of a product of conception, irrespective of the duration of the pregnancy, which after such separation, breathes or shows any other evidence of life, such as beating of the heart, pulsation of the umbilical cord, or definite movement of voluntary muscles, whether or not the umbilical cord has been cut or the placenta is attached- each product of such a birth is considered liveborn.

Mandates

The PSA shall primarily be responsible for the implementation of the objectives and provisions of R.A. 10625.

It shall plan, develop, prescribe, disseminate and enforce policies, rules and regulations and coordinate government-wide programs governing the production of official statistics, general-purpose statistics, and civil registration services.

It shall primarily be responsible for all national censuses and surveys, sectoral statistics, consolidation of selected administrative recording systems and compilation of national accounts.

Vision

Solid responsive world-class authority on quality statistics, efficient civil registration and inclusive identification system.

Mission

Deliver relevant and reliable statistics, efficient civil registration services and inclusive identification system for equitable development towards improved quality of life for all.
