

PSA MANDATE

The PSA shall primarily be responsible for the implementation of the objectives and provisions of R.A. 10625.

It shall plan, develop, prescribe, disseminate and enforce policies, rules & regulations and coordinate government-wide programs governing the production of official statistics, general-purpose statistics and civil registration services.

It shall be primarily responsible for all national censuses and surveys, sectoral statistics, consolidation of selected administrative recording systems and compilation of national accounts.

PSA VISION

Solid, responsive and world-class authority on quality statistics, efficient civil registration and inclusive identification system.

PSA MISSION

Deliver relevant and reliable statistics, efficient civil registration services and inclusive identification system for equitable development towards improved quality of life for all.

**Solid
Responsive
World-class**
