2,039 Individuals Registered, 446 ePhilIDs Issued in March 2024

PSA-Abra PhilSys Registry Team (PRT) continued the PhilSys Step 2 Registration process and exerted all efforts to register the remaining unregistered individuals. In March 2024, the PSA-Abra PRT successfully registered 2,039 individuals and issued 446 ePhilIDs. PhilSys Focal Person (PFP) Jonnel P. Aveño and Information Officer I (IO I) Angelee Ann B. Perez also distributed Information, Education, and Communication (IEC) campaign materials to enhance public awareness of PhilSys at Poblacion, Pilar,

Abra on March 13-15, 2024. Additionally, PhilSys opened registration for children aged one (1) to four (4) years old, with the Abra PRT commencing in February, 2024, and registering 688 children within that age range on March 2024. These various strategies aimed to increase the daily average output of the entire PhilSys team.

Replacement of Damaged PhilIDs now accepted

The PSA issued an Office Memorandum on the acceptance of requests for the replacement of PhilIDs with damaged or defective front-facing photos. The PSA only accepts PhilIDs that have been lost due to natural disasters or that have front-facing pictures that are damaged or defective and do not require the cardholder's demographic and biometric information to be updated. In March 2024, the Abra PRT granted fifteen requests for replacement PhilIDs.

Collaboration of PSA Abra with DSWD Abra continues

The Department of Social Welfare and Development (DSWD) has continued to collaborate with the Philippine Statistics Authority (PSA) to accommodate Pantawid Pamilyang Pilipino Program (4Ps) beneficiaries to Philippine Identification System (PhilSys) registration and other identification services. The Abra PRT conducted this co-location activity in DSWD's Family Development Sessions (FDS) in March 2024 at municipalities of Bucay, Pidigan, Dolores, Pilar, San Juan, and Peñarrubia and registered 245 beneficiaries.
