## Technical Terms

**Marital Status** refers to an individual's legal state regarding marriage, encompassing categories like single, married, widowed, divorced, separated, and annulled.

- Single: A person who has never been married.
- Married: A person who is legally married or living together as husband and wife, whether legally or consensually.
- Divorced: A person whose bond of matrimony has been dissolved legally and who therefore can remarry.
- Separated: A person separated legally or not from his/her spouse because of marital discord or misunderstanding.
- Widowed: A person whose bond of matrimony has been dissolved by death of his/her spouse.
- Common-law/Live-in: A person cohabiting or living consensually with another person as husband and wife without the benefit of a legal marriage.

**Literacy Status** refers to whether a person, aged 10 or over, can read and write a simple message in any language or dialect, representing basic literacy.

**Overseas Workers** refer to Filipino citizens who are employed or engaged in a remunerated activity in a country where they are not legal residents.
